

Hi Zoe,

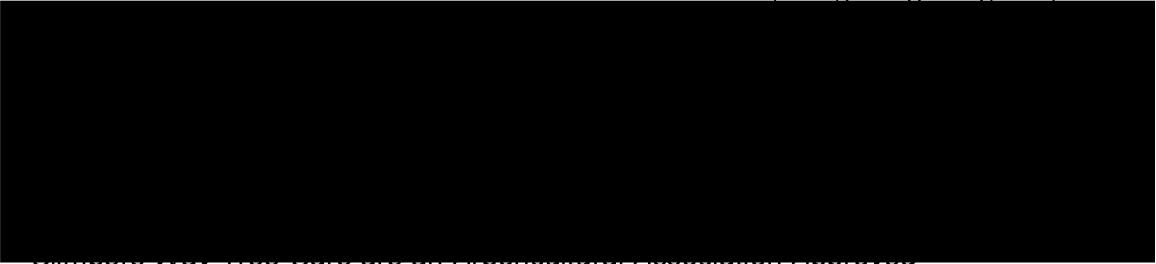

Thank you for confirming.
If the tree officer is happy then yes please withdraw the application.
You might need to pop onto your mapping system and update the details as they are showing TPO's.

We will proceed with the works.

Kind Regards,

Emily Hayward

Hi Emily,

Thank you for your email.

I have been in touch with our tree officer and strategic department and the line of Silver Birch Trees are not covered by the order. You can do work to these trees, provided you do not touch the Oak Trees at the top end of the line.

Therefore, withdrawal of this application would be necessary for the silver birch. Please can you email me back to confirm the withdrawal of this application.

Many thanks

Hi Zoe,

Hope you are well.

Thank you for letting me know. Would you mind doubling checking as the trees aren't located at Barnett Close. They are located on the new Taylor Wimpey site which didn't have a postcode so the planning portal wouldn't pick the address up.

Looking on your website, these trees do have TPO's.

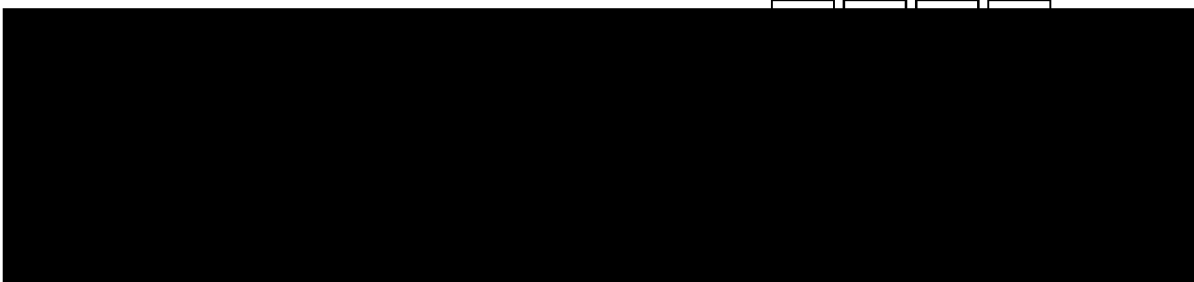

I did put the location on the original application however for ease, please see below the location map:

Kind Regards,

Emily Hayward

Dear Climbers Way Tree Care LTD,

After our tree officer had assessed the site for the above application at Land Between 8-10 Barnett Close it was made clear that the trees which are proposed to be worked on are not affected by a TPO and the site is not within a Conservation Area.

Therefore I invite you to withdraw this application and you can carry out works to the trees without the council's consent. Please can you email me back to confirm you are happy to withdraw this application.

Many thanks
