Hi Zoe

I don't believe the trees (14x silver birch) subject of this application are protected by a TPO. The only Order affecting the area appears to be TPO/AL/4/20 – which covers three oak.

There may be some other form of landscape constraint/condition (this is a major development site, ongoing and underway since 2018) so best check with the area planning team (Claire Potts / Karen Garner?) to see if they are happy for the work to proceed.

I anticipate you will invite withdrawal of the application, so I'll not be sending any more comments unless advised otherwise by your team.

Regards,

Mark
