RECOMMENDATION:	Advice

This is the WSCC Highways response to the above planning application seeking a non-material amendment following the grant of AL/143/24/RES relating to paths north of Plots 26 & 27 and east of Plots 27-16, to reduce the width to 2m for pedestrian use, associated with the delivery of a 2m footway along Lidsey Road (path around Plot 15 provided as 3m). Amendment to path north of pumping station and east of sub-station, to increase width to 3m for shared pedestrian/cycle use (on opposite side of spine road to Plots 43-48), with directional signage for cyclists and amendment to materials layout, to enable contrasting brick detailing (use of orange feature brick on red brick plots and red feature brick on orange brick plots).

Response.

Having reviewed Drawing No. ST-22-01 revision 'W', the Road Safety Audit (2nd stage ½ Safety Audit – 22 December 2025, reference – S/BDWWoodgate-S278.1-2.6 Rev 'A' produced by Mayer Brown Ltd) and associated Road Safety Audit Decision Log as submitted, the Highway Authority raises no objection to the changes proposed. However, it does recommend that one further cycle route directional sign be provided in the location shown below (marked with a green cross).

Response ends.
