**Proposal: Removal of condition approved under ref AL/84/20/PD relating to Condition No 3 - Construction Management Plan**

**Location: Hales Barn Farm Arundel Road PO18 0JX**

Dear Maria,

Having reviewed the submitted documentation, no Construction Traffic Management plan has been submitted. I am therefore unable to recommend discharge of the condition from an environmental health perspective as no details have been provided to demonstrate how dust emissions arising from the site shall be controlled.

Sincerely, Craig
