Householder pre planning application **your reference AL/1/20/HH**

Dear Mrs Johnson

As your non validation letter dated 15th January I enclose the information requested, namely;

- Drawing 06. 1:500 scale drawing with site dimensions and route for drainage.

This letter is confirmation that the proposed scheme will require connection to EXISTING public mains drainage system.

I have also revised drawing 1 – now rev A, to show the adjusted north direction.

This letter and the drawings have been sent electronically.

best regards
