Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with all matters reserved for the demolition of 2 No. dwellings & associated outbuildings & the erection of up to 27 No. dwellings, of which 30% will be affordable, with associated open space & access. This application is a Departure from the Development Plan.

Land at Bridge Cottage & The Old Cottage Lidsey Road Lidsey

Thank you for your internet representation made on 14th March 2018 which has been recorded as **'an objection'** with the comments as follows:

*I can hardly believe this application is being considered....This is an extremely dangerous stretch road and there are already accidents along here. I understand it is in a flood area. 27 more cars coming onto this road from any of the obvious entry points would be extremely dangerous.. In addition everything we are being told is to use less cars (there are daily hold ups already) so to give permission for a potential 54 more cars is almost beyond belief..In the summer the smell from the local sewage is also a problem (especially for those with lung conditions) 27 houses with issues about infrastructure and more immediately the dangers of this stretch of road makes no sense at all... Yours sincerely,
Virginia Constable Maxwell*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
