RE: Application AL/ 20/ 18/ OUT

Land at Bridge Cottage and The Old Cottage
To demolish these houses and outbuildings
To build 27 houses with access
Lidsey PO22 9PH

Dear Sir,

We wish to complain about the above application on grounds of safety. The site is on the S bend at Lidsey a very tight bend on the narrow road on the A29 . We feel that any access there would be extremely dangerous. Anyone living there would need transport and reckon that would bring a further 50 cars to join and leave the main road. There is no pavement there or room for one. About 25 years ago we visited, with a view to buy, one of the cottages, but thought then that it was too risky on the bend, and there was much less traffic then !! Taking children to school, either northwards or southwards with the morning rush hour traffic would be potentially very hazardous for the passing traffic in either direction as both parts of the S has a blind corner to deal with on approaching the " Lidsey bend."

We hope these points will be considered in your decision about this plan.

Yours faithfully,

A large black rectangular redaction box covering the signature area.
