Hi Michael

Nothing further to add beyond my previous comments.

Happy with the open space proposals and play offer

LEAP would be considered slightly closer to plots 8-9 than ideal, but LEAP could be tweaked at a later stage to adjust positioning of this.

No landscape objection to the proposals as submitted.

Hi Michael

Please find attached the revised Block Plan and Illustrative Site Layout Plan which shows the eastern row of houses reoriented to allow for improved connections with land to the east.

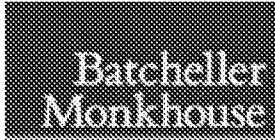

Please substitute these plans with those previously submitted.

Many thanks

Clare
