Hi Michael

Thanks for forwarding this on. Our transport consultant is currently on leave until 28th August which leaves it quite tight for getting back to you in time for the current target determination date. Could we please agree a further extension to allow time for the additional information to be provided and WSCC reconsulted?

Also, in relation to the S106 contributions requested from WSCC I don't think these allow for the 2 existing dwellings on the site, ie the contributions should be based on a net gain of 25 dwellings. Could you please advise?

Thanks

Clare
