Hi Clare,

Yes, an extension of time (EoT) to determine outline planning application (AL/20/18/OUT) until 16th November 2018 is acceptable.

Kind regards,

Michael

Hi Michael

We are currently awaiting an updated audit of the proposed access which should be with us by the end of the week. Our transport consultant has also produced a response to WSCC's comments which will be forwarded at the same time.

Would it be possible to agree a further extension of time to allow for WSCC to consider the additional information in good time for you to prepare your report? Assuming the application could be considered at the November Committee meeting would an extension until 16th November be acceptable to you?

Kind regards

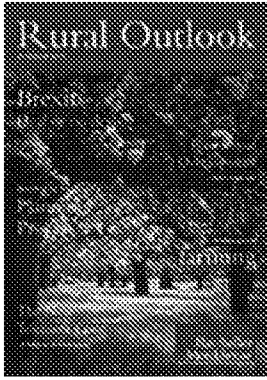

Clare
