Comment from Greenspace

The information supplied in Dwg BG.8.03.M sets out the planting for the site, but it is a little unclear which is existing and which is the new proposed planting as part of this application.

I would recommend that further detail is provided to highlight which is the new planting with a detailed schedule also of quantities, species choice and size at time of planting.

I would recommend that this information is submitted for approval before Condition 4 on AL/20/19/DOC could be considered for discharge.
