(- AL/46/20/PL)

re: above planning, I object - on the grounds, that a sound property is to be demolished, which is a waste of a house.

When agreeing the Aldingbourne Plan, the wings Nursery, was to be replaced with Park homes, plus some small business units.

Please consider traffic, also lack of open space, plus amenities, water drainage and sewage!!  
please reject this application.

Thank-you.
