Dear Megan,

I will accept these drawings but Laura won't be able to confirm until next week and I have to have the report finished by then. I will include the landscaping plans in the approved drawings but if there are any further issues then these will need to be raised/dealt with through a report update.

Kind Regards

Good morning Simon,

I saw the ADC's drainage team's comments on the website so have actioned these with our landscape consultant.

Please find attached the amended landscape plans which have removed the trees from the attenuation basin as requested.

On this basis, we trust the drainage proposals can be included under approved plans.

Kind regards,
Megan
