Good afternoon Simon,

Thank you for your time on the phone earlier today.

Following our conversation, I've spoken with SHG and can confirm they are willing to agree to the contribution of £36K for the A27 improvement programme, as requested by National Highways.

As discussed, we / SHG are keen to conclude the s106 as soon as possible, so please can you confirm whether this additional contribution can be added in the s106 without going back to committee?

Many thanks,
Megan

Hi Megan,

Please see attached email (NH) and attachments from National Highways. I am taking advice on what we need to do in order to resolve this (and will update you when I know more) but just be aware that there is likely to be a further delay with the s106 and decision.
