Note that this instalment policy may alter but we will contact you if this occurs.

Some, or the entire amount, may also be paid by transferring land to the CIL charging authority or another beneficiary agreed with the charging authority. [See the CIL guidance on Payment in kind for more information.](#)

**The following notification must be served on the collecting authority before development commences:**

- \* The date on which you intend to commence development, by submitting a valid commencement notice. [Download Form 6' Commencement Notice.](#)

Precise details of your payment arrangements and options will be contained in the demand notice that will be sent following submission of a valid commencement notice.

If this procedure is not followed, payment of the CIL amount will be due in full on the day that development commences.

If a valid commencement notice has not been submitted before development commences, even if you have a self build exemption agreed, you may be liable for a surcharge.

### **Consequences of non payment**

If you fail to follow the payment procedure described above, the collecting authority may impose surcharges on this liability. Persistent failure to pay CIL liabilities due may result in the collecting authority imposing surcharges, serving a CIL stop notice prohibiting further development on the site and/or taking action to recover the debt due. [Please see the guidance published by the Department for Communities and Local Government for more information.](#)

### **9. The amount of CIL liability in this notice is a local land charge**
