Dear Megan,

I agree that the correct Rev number for "19-121_0137 Plans and Elevations Unit 63" is Rev 2 as this reflects that on our website. I also agree that the "Refuse and Car Passing Swept Path Analysis" should be 2020.6115.008 Rev I.

We are not able to reissue the decision notice but please treat my email as an addendum to the decision (and I will upload it to the public files labelled as such).

Kind Regards

Simon J Davis MRTPI

Good morning Simon,

Hope you are well.

I was just checking the decision notice and I note that under condition 2 there are a couple of minor errors

Firstly, one of the approved plans is "19-121_0137 Plans and Elevations Unit 63 Rev 1," but I believe this is incorrect and should be 19-121_0137 Plans and Elevations Unit 63 **Rev 2**;

I have attached correspondence at the time of submission/validation, Rev 2 was submitted prior to the application being validated as there was an inconsistency between the roof and elevations which may be why I cannot see Rev 1 on the Council's website.

Secondly, drawing '2019.6115.008 Rev I Refuse and Car Passing Swept Path Analysis' has the incorrect year and should be '2020.6115.008 Rev I Refuse and Car Passing Swept Path Analysis'

Please would you be able to amend the Decision Notice and reissue?

Kind regards,
Megan

Hi Simon,

Apologies for the delayed reply. Thank you for sending this across – really pleased to have received this.

Just to give you a heads up, the pre-commencement conditions were submitted via the Planning Portal late last week.

Kind regards,
Megan
