Attachments: Thakeham - Lidsey - completed site visit form.pdf

Jonathan and Ellie

Thank you for your email and attached Record of Site Visit and Arboricultural Supervision.

The following items were identified during our 28 April site meeting as requiring attention and it is assumed those have now been implemented:

1. Anti-tamper bolts to be reversed so tightening is made from within the Construction Exclusion Zone and doubled-up on the N side of T15. Fencing line on E side to be extended as near to brick boundary wall as possible whilst retaining a secure and rigid structure.
2. Weatherproof Tree Protection signs to be affixed on barriers stating that it is protecting a Construction Exclusion Zone and that no works are permitted beyond the barrier.

I agree with the proposed frequency of arboricultural supervision, both monthly as routine and at key stages of construction phase (removal of existing hard surfaces/re-alignment of fencing, drainage works in RPAs, installation of new surfaces within RPAs).

I am satisfied that pre-commencement requirements in respect of tree protection measurements have been met.

Kind regards,

Mark Warwick

Dear Mark and Ellie,

Please see completed site visit form for tree protection measures at Lidsey.

Kind regards,

Jon
