Dear Simon, Kyran & Cllr Wallsgrove

Last week we had another lorry come up Old Dairy Lane. He had problems getting into Old Dairy Lane (see the image 1 with all the tire marks on the road scruffing up the highway) and would have been stuck in the lane if a neighbour had not have moved his car to allow the lorry to get out over private land. There were cyclists in the lane waylaid as the lorry was making a lot of manoeuvres trying to get out (image 2).

Makes me wonder what would happen in the case of an emergency, with all the residential properties in Old Dairy Lane, it is worrying that help would be delayed somewhat as access is restricted? In the case of a medical emergency or a fire valuable time would be lost trying to move vehicles to gain access.

I still do not understand that Highways do not have a problem with the above planning application, it is as if safety issues have chosen to be ignored & the Council just want this application approved even though it is plain to see that it is totally unsuitable, unneighbourly, unsafe & overdevelopment in the tiny hamlet of Norton.

Regards

Frances Newman
