Subject: Access to Old Dairy Lane

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Dear Simon,

With reference to the application for planning at Old Dairy Lane - [AL/20/26/PL](#) please find below a couple of images of a truck trying to get out of Old Dairy Lane. Even with the help of someone guiding the driver the truck was forced to drive over our land and we were asked again to move our car in order to allow the truck in and out. The granite blocks that are concreted into place to delineate our boundary are not designed to have heavy trucks running over them and have required repair in the past when damaged by heavy vehicles. Also, if we were out for some reason and could not move our car then I do not think there would be anyway for a truck like this to exit.

We would be grateful if you could add these details to your file for when the final decision is being considered.

With kind regards

Andrew Juniper
Long Barn, Norton Lane.
