

Viewpoint no. 01

Location: Bus stop on the northbound A29 Lidsey Road.

Direction of View: South-east.

Date: 13st June 2017
Time: 12:40 pm
Weather: Clear weather conditions
Lighting Conditions: Good visibility
Approximate Ground Level: 8.2 metres AOD
Ordnance Survey Grid Coordinates: SU937041

Description
Illustrative short distance view. Residential properties are visible along the highway, north from the entrance to an access road leading to The Willows Caravan Park. Leyland cypress tree lines form a hedgerow along the north-western boundary of the Site. Irregular growth of a mixed-species hedgerow with standards growing to the south is visible along the western boundary.

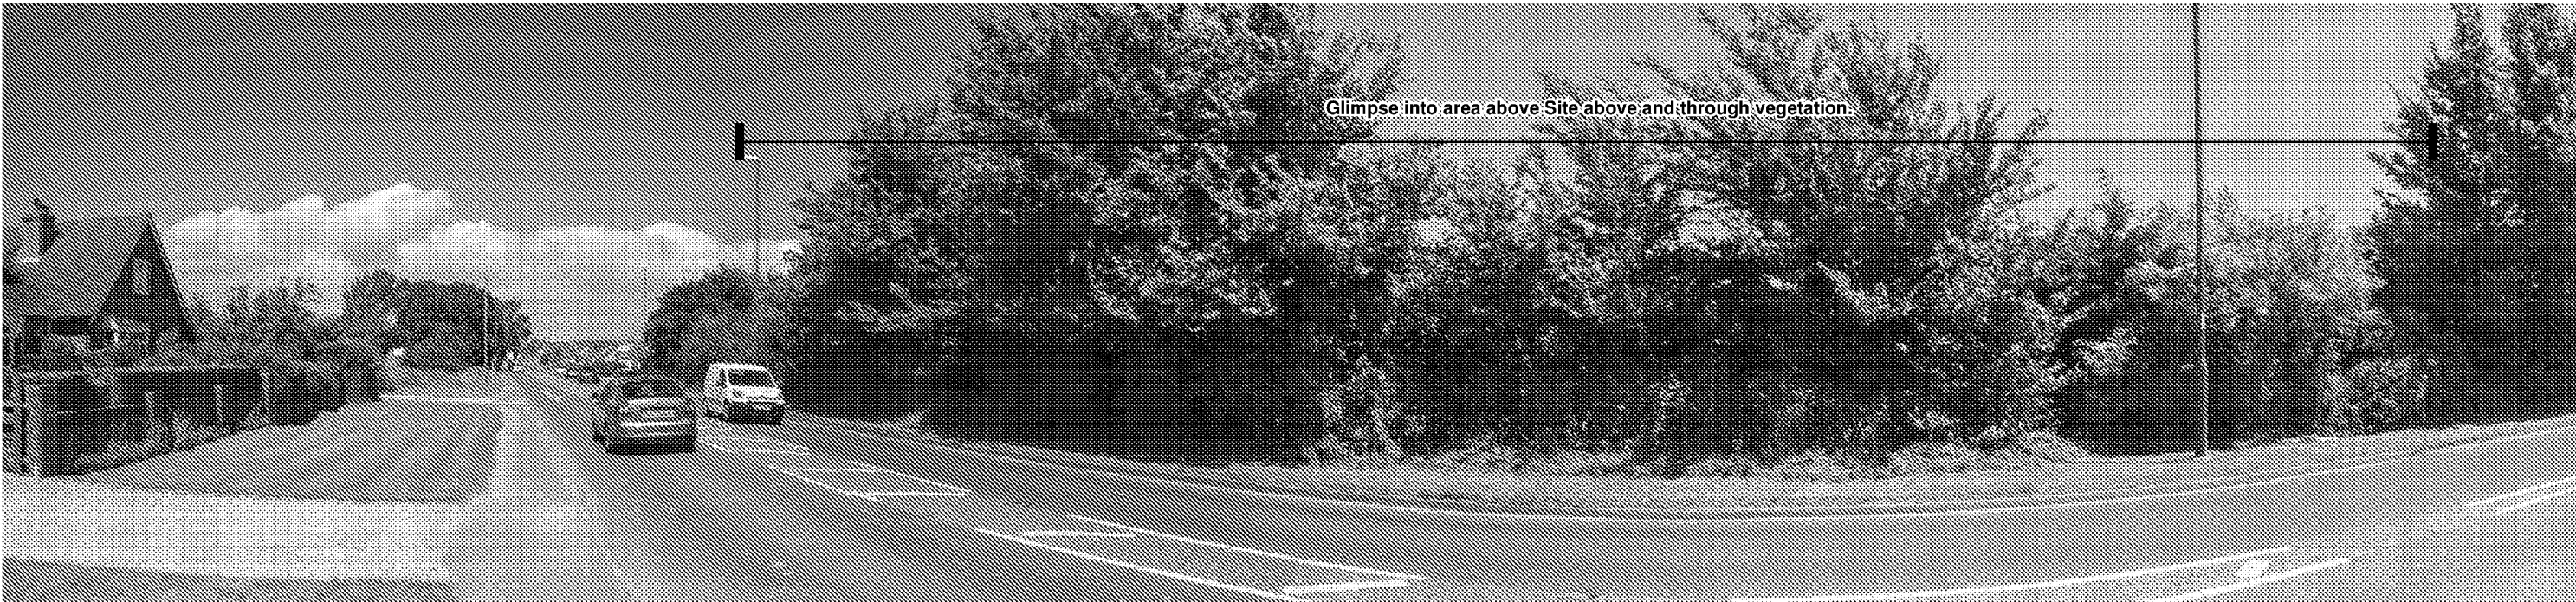

Viewpoint no. 02

Location: Entrance to The Willows Caravan Park access road from A29.

Direction of View: South-east.

Date: 13st June 2017
Time: 12:45 pm
Weather: Clear weather conditions
Lighting Conditions: Good visibility
Approximate Ground Level: 7.9 metres AOD
Ordnance Survey Grid Coordinates: SU937040

Description
Illustrative short distance view. Leyland cypress tree lines form a hedgerow along the north-western boundary of the Site, which continues as a managed hedgerow along the northern boundary along the access road leading to The Willows Caravan Park.

Viewpoint no. 03a

Location: Pavement along the north bound A29 Lidsey Road opposite the Site.

Direction of View: North-east

Date: 13st June 2017
 Time: 1:55 pm
 Weather: Clear weather conditions
 Lighting Conditions: Good visibility
 Approximate Ground Level: 8.5 metres AOD
 Ordnance Survey Grid Coordinates: SU937039

Description
 Representative short distance view along the Lidsey Road (A29). Residential properties are visible to the left of view and further along the A29 to the north. The irregular growth of a mixed-species hedgerow with intermittent maturing standards is visible along the western boundary of the Site. The density of growth is apparent contributed to by a Leyland cypress hedge which runs parallel within the Site boundary.

Viewpoint no. 03b

Location: Pavement along the north bound A29 Lidsey Road opposite the Site.

Direction of View: South-east

Date: 13st June 2017
 Time: 1:55 pm
 Weather: Clear weather conditions
 Lighting Conditions: Good visibility
 Approximate Ground Level: 8.5 metres AOD
 Ordnance Survey Grid Coordinates: SU937039

Description
 Representative short distance view along the Lidsey Road (A29). Residential garden boundaries with drives are visible to the right of view. The gated access to the commercial trading yard adjacent to the southern boundary is visible further to the south. The irregular growth of mixed-species hedgerow with intermittent standards is visible along the western boundary of the Site. Larger oaks and ash are visible to the southern end of the western boundary. The density of growth is apparent contributed to by a Leyland cypress hedge which runs parallel within the Site boundary.

Viewpoint no. 04

Location: Soft verge at A29 opposite the Lee’s Yard.

Direction of View: North-east.

Date: 13st June 2017
 Time: 12:25 am
 Weather: Clear weather conditions
 Lighting Conditions: Good visibility
 Approximate Ground Level: 9.7 metres AOD
 Ordnance Survey Grid Coordinates: SU937039

Description
 Illustrative short distance glimpsed view into the area above the Site along the A29 Lidsey Road. The gated access to the commercial trading yard adjacent to the southern boundary is visible on the right while a builtup area can be seen further along the highway in the north. Vegetation along the remainder of the southern boundary and along the western boundary is visible.

Viewpoint no. 05

Location: Pavement at Woodgate Road, opposite the entrance to Woodgate Close

Direction of View: South

Date: 13st June 2017
 Time: 1:20 pm
 Weather: Clear weather conditions
 Lighting Conditions: Good visibility
 Approximate Ground Level: 8.5 metres AOD
 Ordnance Survey Grid Coordinates: SU939041

Description
 Illustrative short distance view of a sub-urban landscape of low buildings with pitched roofs. The skyline is defined by the roofs and mature vegetation surrounds the properties. A line of poplars and Leyland cypress along the southern boundary of the Site can be viewed in the background, behind the properties at Woodgate Close and evergreen hedgerow along the northern boundary.

Viewpoint no. 06

Location: Verge at middle part of A29 adjacent to access to private yard and Fox House.
 Direction of View: North-east

Date: 13st June 2017
 Time: 1:25 pm
 Weather: Clear weather conditions
 Lighting Conditions: Good visibility
 Approximate Ground Level: 8.4 metres AOD
 Ordnance Survey Grid Coordinates: SU938037

Description
 Illustrative short distance glimpsed view of the upper canopy of vegetation along the southern boundary of the Site beyond buildings at Lee's Yard, beyond a roadside storage area. The focus of the view is along the mature tree lined A29 Lidsey Road.

Viewpoint no. 07

Location: Public Footpath no. 200/1-1 at entrance to arable field
 Direction of View: North

Date: 13st June 2017
 Time: 1:30 pm
 Weather: Clear weather conditions
 Lighting Conditions: Good visibility
 Approximate Ground Level: 6.4 metres AOD
 Ordnance Survey Grid Coordinates: SU940032

Description
 Illustrative mid-distance glimpsed view of the upper canopy of vegetation along the southern boundary of the Site through a gap in the dense hedgerow vegetation along the roadside.

Ref	Location and Direction of View	View Details	Reasons for exclusion	Image taken
A	Location: Cemetery at St. George's Church, Church Lane, Eastergate Direction of View: South-west	<i>Date: 23rd November 2016</i> <i>Time: 1:45 pm</i> <i>Weather: Clear weather conditions with partial cloud</i> <i>Lighting Conditions: Good visibility</i> <i>Approximate Ground Level: 10.5 metres AOD</i> <i>Ordnance Survey Grid Coordinates: SU945050</i>	The density and overlapping blocks of vegetation along the railway track and within Woodgate Centre result in no visibility to the Site.
