Hi Simon,

The above application has recently been validated and you've been assigned as the case officer. However, it has been brought to our attention that our submitted Planning Statement has not been uploaded.

I have re-attached the Planning Statement. Would you mind uploading this as soon as possible before consultees are contacted?

Additionally, there are two copies of our Design and Access Statement on the planning register. Could I ask that the grey scaled copy is removed?

Any queries- do let me know.

All the best,

Kai Penny MSc
