Good morning Simon. I tried sending this yesterday but was unable to transmit any emails for some reason.

Service has resumed overnight however and this correspondence is to request an extension until after the weekend in order to clarify one last issue before my Councillors feel able to submit their final comments on the Lees Yard application.

Hopefully I can clarify today (and my email problems yesterday will reveal the confirmation I require) so that I can submit before the close of business this afternoon. In case not however, I would be very grateful if you could grant me until Monday regarding this application.

Sincere apologies re the inconvenience. I will be in touch as soon as I am able, and hopefully in the next few hours.
Kind regards.
