Hi Simon,

The applicant can agree to the suggested EoT.

To update you, the latest version of the draft s106 should be with Solomon this afternoon, so please determine the application before the 23rd if it turns out that will be possible.

Kind regards

Hi Gareth,

I got an update today but you will probably already be aware a revised 106 & Nominations Agreement was sent to your solicitor last Tuesday. I can't see this being completed by the 14th October so I think we need to agree another EoT. How about until the 23rd October 2020?
