Morning Susan

Following our brief chat I would advise the following

For information the current site licence issued and dated 13th December 2010 is for 3 Permanent Residential Homes (Licence No is 10150).

Not sure when this was increased to 4 and if any Planning restrictions were applied.

From a Caravan licensing point of view we would as a minimum require compliance with all of the Standard Conditions (copy attached for your information only, please do not share with applicant)

Should you require any further information please do not hesitate to contact me

Kind Regards

Steve
