Dear Nicola,

I will be sending a series of plans and reports that link with the above application that as yet, has not been validated.

I would be grateful if the plans that you already have in your possession could be substituted with the plans that I am sending to you today.

The Supporting Statement and Application Forms etc. that I had previously sent still stand, and I would be grateful if you could add the Design & Access Statement that I am sending to you today.

Please could you advise Nik Antoniou that everything has been submitted.

Please also advise me asap, if there are any problems at all with the submission.

Thank you.

Regards

Eve
