Subject: Planning Application AL/26/14/PL

Dear Mr. Davis,

We Mr and Mrs Milne owners of East Barn write in support of the above application for change of use of the properties to residential usage. In our opinion residential usage is the way forward as the Lane is not conducive to holiday rentals being too far away from the beach, no shops or pubs in reasonable safe walking distance. The neighbourhood has high value properties and it is very quiet. Holiday makers can be noisy, as the local residents have experienced in the past. Accordingly this is a residential area suited for residential use only.

Yours sincerely,

Mr Leigh Milne and Mrs Sue Milne.
