3rd June 2014

Arun D.C

Attention Mr. S. Davis. Planning Application ref AL/26/14/PL.

Dear Sir,

I write in support of the above application. As a residential development it fits in perfectly with the surroundings and dwellings in Norton Lane.

Holiday lets conversely, could and would become a blot on that landscape, and lower the amenity value of the site and the surrounding area.

I therefore recommend that you support and approve the above planning application.

Yours faithfully,
