Application AL/26/25/PL

My family the Cole family have been living and working as travelling show people in this local area for many generations

We work closely with Chichester district council and Arun district council to put on fairgrounds in the local area , we also put up the ice rink in Bognor Regis every Xmas for the local people to enjoy

The younger generation in our family have begun starting there own families and we have run out of room for the growing family and there own fairground equipment

We are hoping you find this application acceptable so that many more generations of our family can continue to live and work in this area , we have designed the plots to meet our long term needs with the plots being capable of being either single or double pitches depending on family sizes

Kind regards J Cole
