Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/27/20/PL
Site Address: Springfield Hook Lane Aldingbourne PO20 3TE
Description of works: Demolition of the existing dwelling & construction of 2 No. 2-bed, 3 No. 3-bed & 4 No. 4 bed houses including access, landscaping & associated works (resubmission following AL/51/19/PL).

Thank you for your internet representation made on 19th May 2020 which has been recorded as an objection with the comments as follows:

OWPC26995

The current traffic levels are already above what is safe due to excessive building and the 'cut through' nature of Hook Lane. We are yet to see the implications of the current building will have on this already busy road. Adding another unknown would be reckless. Having an entry so close to a blind corner on a road of this nature will surely endanger road users. The local primary school is over capacity, adding more 'family houses' will make schooling in the primary sector very difficult. The local secondary education currently does have room, however this will change when building work is finished in Westergate Village.

Your views as made above will be considered before the application is determined.
