Hi Simon,

I hope you're well and keeping safe.

I have been monitoring the application and have seen that the ecology report has been added – thank you for arranging this.

I have not seen any comments back from the Council's Tree Officer – have you had any initial feedback from him? We are keen to understand whether he is now satisfied with the layout in relation to the trees on the northern boundary and the site generally.

I look forward to hearing from you.

Kind regards,
Kerry
