Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/27/20/PL
Site Address: Springfield Hook Lane Aldingbourne PO20 3TE
Description of works: Demolition of the existing dwelling & construction of 2 No. 2-bed, 3 No. 3-bed & 4 No. 4 bed houses including access, landscaping & associated works (resubmission following AL/51/19/PL).

Thank you for your internet representation made on 21st May 2020 which has been recorded as an objection with the comments as follows:

OWPC27120

I am dismayed to see there are plans to build more houses on Hook Lane. In the past two years there has been two large developments which has resulted in a noticeable increase in traffic on the road. This has resulted in higher levels of noise pollution and safety concerns. The road has become dangerous to walk or cycle on. We have had several accidents in front of our house where cars have swerved to avoid each other and ended up in the ditch or our hedge.

Apart from the safety concerns I believe more houses simply destroys the rural nature of the lane and the wildlife that depend on it. It has also been noticeable that with the increase in traffic has come more litter on the road.

Your views as made above will be considered before the application is determined.
