Hi Simon,

Thanks for coming back to me. Here's a complete pack of the tree survey and reports.

Please do let me know if you or Mark have any queries or require any additional info.

Many thanks,
Kerry

Hi Kerry,

Mark has said he will look at this early next week. However, I'm sorry but the tree plans have not made it online. I don't for one second think I never asked for them to be uploaded but can't now check as I've today deleted my sent items from 3 weeks ago. Can you resend the Arboricultural Impact Assessment and Tree Retention & Protection Plan and I'll get on the web and also email direct to Mark.

Kind Regards
