Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Dear Sir/Madam

In response to my email of earlier this morning, Mr Cross has requested that I forward my email on to you for processing. I would be grateful if you could kindly advise which Officer is responsible for processing my application please.

Yours faithfully

Brett Moore
Principal Planner

Dear Mr Cross

I understand that you are the Officer processing the above application. Please find our Arboricultural Impact Assessment and Method Statement, Tree Retention and Tree Protection Plan and a revised Tree Constraints Plan attached.

Kind regards

Brett Moore
Principal Planner
