Dear Sir,

With reference to your request for APC's latest consultation response, we wish to advise you that our biodiversity objection to this site has not changed as it is adjacent to a Biodiversity Corridor.

It has been missed as a consequence of a map error, whereby Map A(2) did not incorporate the information from Map A(1). This matter has been picked up by the examiner of our revised NP and is being corrected.

We trust that this has clarified the position.

Regards,
Michael Warden, Chairman APC.
