Dear Sarah,.

There were only 4 plans originally submitted with the application whereas your colleague referred to 7 revisions. However, I have figured it out and uploaded and reconsulted Engineers until 28/04 (I intended to give 14 days to 26/04 but the system added 2 extra days due to the Bank Hols).

Kind Regards

Hi Simon,

Following your query on submission information – our consultants have clarified that all submitted information is additional to what was previously submitted, with the exception of those detailed in their e-mail below.

Hopefully this is clearer now, but if you require anything further from us please let me know. For clarity, if you would like us to pull together a definitive drawing register, please let me know and I can do this for you to assist.

Kind Regards,

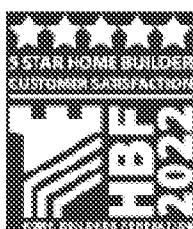

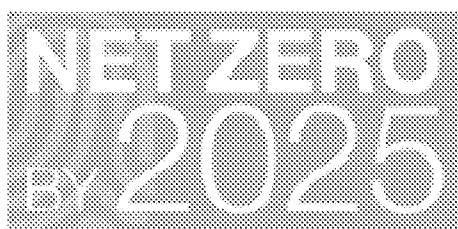

Sarah

Dear Sarah,

I have been able to download the documents and have made the changes in respect of AL/29/22/DOC. However, I can't do AL/28/22/DOC at present. Please provide a drawing register or similar so that we can easily work out what is being superseded from that already on the system and what is brand new. When we have that it is likely that I will get admin to make the changes as there are too many for me to spare the time to sort through and reindex.
