Dear Sir / Madam

Re: Replacement Garage building at Letterbox Cottage, Norton Lane, Aldingbourne

I enclose our planning application for the proposed replacement garage building at the above property. along with four copies of our drawings 2012/30/01 revision B, 2012/30/03 and 2012/30/05 revision A and the application fee of £172.00

This is a revised application following the refusal of the previous application (AL/44/13). Following discussions with the case officer, Simon Davis, the attached workshop shown on the previous proposal has now been omitted. It was suggested by Mr Davis that this would address the main reason for refusal and that the amended proposal would be acceptable.

Should your require any further information please don't hesitate to contact me.
