| **Description of Works:** | **Approval of details reserved by condition imposed under ref AL/51/20/PL relating to Condition Nos 3 - materials & finishes, 5 - Energy Statement, 7 - car parking and 14 - external lighting** |

**Condition 14 - External Lighting**

Unfortunately the proposed slim floodlight LED lights proposed for the scheme are unsuitable due to the vertical light spill they will create. We require that thee lighting scheme for the site take into consideration the presence of bats in the local area and the scheme should minimise potential impacts to any bats using the trees, hedgerows and buildings by avoiding unnecessary artificial light spill through the use of directional light sources and shielding.

Kind Regards

Liz
