Dear Sir / Madam

Re: West Barn, Old Dairy Lane, Norton. (previously known as North Barn, New House Farm, Norton)
Planning application Ref: AL/28/12

We enclose our application for non material amendments to the approved design for the conversion of the building at the above site. We also enclose four copies of our drawings 11/53/20 and 11/53/21 and the application fee of £195.00.

The amendments for which we seek approval include the following:

- Amendments to the internal layout of the building to form three units in place of the four originally approved. The amendments include forming areas of mezzanine floor.
- New glazed openings to the south and west elevations.

Prior to preparing this application advice was sought from Simon Davies, and it was confirmed that the proposed amendments could be dealt with under a non material amendments application.

Should you require any further information please do not hesitate to contact me.

Yours faithfully

Garry Mount
