Hi Darren,

Apologies for the delay in getting back to you in relation to this one. I had written to the Parish Council seeking for them to withdraw their objection on the basis that a treatment plant is not to be provided on site and as such the condition cannot be discharged.

However, the Parish have come back to me today and have refused to withdraw their objection. Therefore, in accordance with our scheme of delegation this application will have to be presented to the Development Control Committee on the 11th July 2018. I have already completed my recommendation report and this has now been passed through to Claire Potts for signoff.

I would be grateful if you could provide written confirmation of your agreement to an extension of time for the determination of this application until the 13th July 2018.

I apologise for the delay in this case but unfortunately we have no option but to present this application at DCC.

Kind regards,
David

I believe the decision is due on or before the 8th June 18.
