Hello Stuart,

Thank you for your email of yesterday's date.

As discussed in our earlier telephone conversation I confirm the following:

1. Please substitute the attached revised drawings 4A & 5A showing the design amended with the gable end.
2. Agreement to the extension of time to 31/05/2019.

Kind regards

Richard

Mr Atkinson,

I am the officer who is assigned the above application.

I have just had word from our conservation team that the design would need to be tweaked in order for it to respond more sympathetically to the conservation area and appearance of the existing dwelling. To alter the barn hip to a gable would be preferred. We consider this would make for an acceptable scheme and support the Policies on design within the Arun Local Plan and Neighbourhood Policy requirements respectively.

If you could make this amended and attached a scaled copy of a plan to review would be acceptable.

As you are aware and I can only apologise the date for decision is in fact Friday 17th May. We would accept a revised plan with your acceptance of an extension to the decision date until the 31st May 2019.

We look forward to this plan.

Kindest of regards
