Dear Mr Davis,

Conversion of former Farm Building
Sack lane Barn, Sack lane, Lidsey.

I have pleasure in enclosing the resubmission of my client's Prior notification application for the above. You will no doubt recall that I withdrew the application because you were concerned that the scheme would result in more than 3 converted barns within an agricultural unit.

Since then the Government has clarified this and the National Planning Practice Guidance makes it clear that the meaning of the legislation is that not more than 3 dwellings are created under class MB. As such it has not been necessary to demonstrate that the application site is not in the same agricultural unit as other converted barns along Sack Lane.

If you require any further information please do not hesitate to contact me.

Yours sincerely,

Elizabeth Lawrence
