Dear Mr Jupp,

Please be advised that the Council adopted the Arun Community Infrastructure Levy(CIL) Charging schedule on 15 January 2020. The CIL charging schedule came into effect on 1 April 2020 and any works commenced after this date may be CIL liable.

You must submit a CIL Form 5: Notice of Chargeable Development and Form 2: Assumption of Liability (along with any exemption forms) before you commence development. The only exception to this requirement is where the development proposed is less than 100 square metres of floorspace, no dwelling is being created, or the CIL rate for the proposed use is £0 per square metre in the Arun District CIL Charging Schedule.

Please familiarise yourself with the CIL charging schedule and processes at:
