Dear Nicola,

Further to your letter dated 30th March are you able to provide us with an example or an understanding of what is required for the HER desk-based assessment please. As I have mentioned previously this was not required on the last two applications at this site and we have not had to prepare one before and as such I would appreciate any guidance.

I attach drawing no. DP211 Rev 01 showing site sections as requested.

Kind regards,
Natalie
