Dear Nicola,

Thank you for your voicemail yesterday.

In response to your request please now find attached an HER Assessment, and the WSCC responses to be read in conjunction.

We trust this is now acceptable, and that the planning application can now be validated.

Warm regards,

Edward Rees

Dear Nicola,

Further to your letter dated 30th March are you able to provide us with an example or an understanding of what is required for the HER desk-based assessment please. As I have mentioned previously this was not required on the last two applications at this site and we have not had to prepare one before and as such I would appreciate any guidance.

I attach drawing no. DP211 Rev 01 showing site sections as requested.

Kind regards,
Natalie
