Dear Edward,

I have been working on getting the decision for the above application issued as per my email today.

You may remember the recommendation from planning committee was to approve the application in consultation the planning committee chair. We had hoped that we would secure confirmation from the Chair of Planning Committee in relation to this matter, however they have not been able to respond as quickly as hoped.

Please accept my apologies as there will be a minor delay in the decision being issued until this confirmation is received. I have provided a deadline of the 16th in order to receive any comments from the Chair, however this should be sooner as I have called them to explain that this is needed as soon as possible.

I appreciate that you have agreed an Extension of Time, however if you were prepared to agree until 16th November, that would be much appreciated.

Kind Regards,

Jessica Riches *(She / Her)*
