Dear Simon

I hope this email finds you well.

I write with reference to Southern Waters letter REF: PLAN-022356, dated 19/4/2018 regarding foul water drainage. I can confirm that the proposed building does not have any foul drainage, hence we have not submitted any plans for foul water drainage. I do apologise if we did not make this clear in the application.

Could you let me know if this email will suffice as confirmation of no foul drainage or whether you need a more formal letter?

I look forward to hearing from you.

With very best wishes
Karen Shrimpton
