Dear Karen,

If once I start writing it and I am able to get it done on the same day then it would then need to be reviewed by my Team Leader which should only take a couple of days. I'd say a week at most but that is reliant on me completing the report same day or on the next day.

Kind Regards

Hi Simon

Thank you for the reply, I am sorry that you are so busy. In reality, once you start the reports, how long will it be before we have an answer so I can let various parties know?

Best wishes
Karen

Dear Karen,

I had planned to work on yours today but I'm sorry, I am instead finishing off more urgent reports that I'd started earlier in the week. It now looks like I won't be able to schedule time for yours until the 2nd of July as I have blocked out all of next week to get on with some old pre-application enquires. I am sorry but I will get to your application as quick as I can and I am trying to juggle several competing demands and I am trying to be fair by doing the oldest ones first.

Kind Regards

Good Afternoon Simon

I hope you are well.

I wondered if you would be able to update us on progress as we have passed the 18th June extension date. I understand you are busy so do apologise but I am trying to keep all parties up to date with progress.

Many thanks

Very best wishes
Karen Shrimpton
