Subject: Application AL/32/18/PL - The Wolds

Dear Simon

I hope you are well.

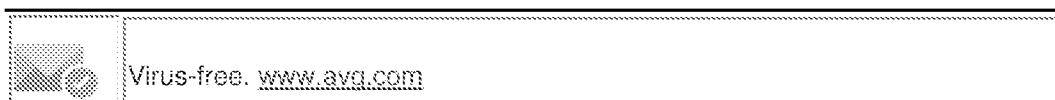

In order for us to continue with this project and meet our commercial deadlines for funding purposes we need to be able to give our various contractors an answer on planning decisions by the end of next week (Friday 6th July) for them to have adequate lead time etc. If we are unable to do this they will be unable to fulfil our requirements in the timescales necessary and this will add significant time to the construction, unfortunately this will have an impact on employment and commercial activity here at the clinic which is absolutely the last thing I want.

I understand you are busy and I know that you said this week would be impossible, you did mention that you would start the report on Monday 2nd July, is this still the case? Again, I wholeheartedly understand the pressure you are under but timescales are now incredibly tight so I would be hugely grateful for your help in this matter.

I look forward to hearing from you.

Very best wishes

Karen Shrimpton
