Hi Simon

Good to meet you too, thanks very much for taking the time to sit down with me.

No problem providing the street scene you have requested, I have instructed this and will send it across as soon as it is ready.

As also discussed this morning, I am pleased to provide a table which confirms all of our GIA's and demonstrates that they exceed the nationally described minimum standard.

Thanks again for your time today, I will be in touch with the street scene in the coming days.

Kind regards

Alistair

Dear Alistair,

Nice to meet you this morning. I mentioned about streetscenes in our meeting and agreed that the image on the front of the DAS was fine. However, I have just spoken with my team leader and he would prefer a streetscene of the frontage drawn like an straight on facing elevation as opposed to a colour illustration. Could you provide this for us also?

Kind Regards
