Dear Simon

Further to my recent discussions with the Parish Council, I am pleased to attach an updated lighting statement which demonstrates compliance with all adopted policy and now includes full reference to the Neighbourhood Plan.

I would be grateful if you would place this with the planning application to supersede the earlier lighting report.

Thank you for your ongoing assistance.

Kind regards

Alistair

Dear Simon

The requirement to provide details of external lighting was a conditional requirement of outline planning permission.

I thought it may be beneficial to submit the lighting scheme at this stage in order that it may be considered as part of the reserved matters process avoiding the need for the condition to remain.

As such, I would be grateful if you would place the attached with the reserved matters submission and treat it as supporting information to the application.

Thank you.

Kind regards

Alistair
